

## Call For Submissions

## Franklin County Arts Council – Annual Quilt Show - October 14 & 15 2023

We are looking for a variety of quilting styles. Please see full guidelines below.

### Quilt Submission Guidelines

**Definition of quilt.** We define a quilt for this show as two layers of fabric with a filling that is stitched together with lines or a pattern. Quilting may be done by hand or by machine.

**Date and Maker.** Your quilt may have been made at any time, and the entrant does not need to be the maker of the quilt. (For example, if you own an antique quilt, you may submit it.)

Not acceptable for this show. “Raggy” quilts, quilts made from predominantly preprinted panels (without majority of piecing, applique, or embroidery) or non-traditional fabric material (plastics, tarps, etc.).

**Quilt Sales.** If you plan on consigning your quilt for sale, we would like to add a tag which indicates that the quilt can be purchased.

**Display** – include a 4-inch sleeve, if possible, to make displaying your quilt easier

**Submission:** Go to <http://www.fcacarts.org/events.aspx> and scroll down to ‘Annual Quilt Show’ and download the entry form or email Ellen Queen at [equien@fcacarts.org](mailto:equien@fcacarts.org) for an entry form. One entry form must be completed for each quilt. The “quilt description” part of your form will appear in a program and/or tag for quilts on display. This is your opportunity to explain techniques used, design inspiration/process and the STORY of your quilt. A photo must be included (can be of the finished quilt top prior to quilting).

**Selection:** Selection will be made from photographs submitted by a jury from the Franklin County Arts Council and *Quilt Trails of the Tar & Roanoke Rivers* Quilt Show Committee.
